Prices on this list net and subject to stock not being sold.

GUARANTEE.—We take the greatest pains to have every plant marked true to name. Any plant incorrectly marked will be promptly replaced, or money returned. We do not guarantee any more than the original cost of the plant.

We can not guarantee plants to live, at the prices of this catalogue. We send out young, thrifty plants, which should live if properly planted and cared for.

Delivery of all packages to freight or express free.

We do not pay either freight or express.

All plants at the risk of the purchaser after they are delivered to the public carrier.

Please say whether you will have your order sent by freight or by express.

Meeting dates: Where sufficient notice is given, weather permitting, plants will be shipped on a given date.

Please give date on which you want them shipped, and not the date on which you want them to arrive.

No man living can tell how long it will take a freight package to reach any point in the country, at a moment's notice.

On orders received before the middle of March, the schedule time of freight will be ascertained, if desired.

Express packages arrive in Boston on day of shipment.

Express packages arrive in New York on following day.

Freight packages arrive in Boston the day after shipment.

Freight packages due to arrive in New York the day after shipment.

TERMS.—Cash with order or satisfactory references except where parties are known.

Bills of regular customers become due June 1st for Spring shipments; January 1st for Fall shipments.

Box, 10 cents to 50 cents. Bales, 25 cents to \$1.50.

A demand, for use in formal gardens, for a hardy plant with a 2 to 4 foot stem and round formal head. Bay trees have to be taken care of in the winter. Box trees sometimes winter kill. *Salix pentandra* is hardy in New England and is fully as fine in appearance as either Bay or Box. Three year heads are offered. They will need clipping twice during the summer.
